Meal a Day Program

Feeding the severely malnourished

AAMF feeding centers provide food to 700 people every day in different slums / villages across Delhi. Our 5 feeding centers offer a hot nutritious meal consisting of rice and vegetables to the acutely hungry.

Health-care facility: Each month AAMF organizes a medical camp at its feeding centers. At this camp, a volunteer physician visits the center and examines children and distributes medicines to the sick. The physician also provides information about vaccinations and other medical services for children to accompanying parents. Additionally, he advises parents on sickness preventive measures relating to water and mosquitoes-borne diseases
